BRAZILIAN INSURANCE MARKET'S CHALLENGES

Francisco Galiza, Professor at Escola Nacional de Seguros (Funenseg) and partner at Rating de Seguros Consultoria

For the past ten years, the Brazilian insurance market has had an incredible growth. On the below...
...tor measuring the sector's reliability index in Brazil.
...Despite the challenges mentioned previously, the market also has positive growth...
...paring this with the US market, the vehicle's insurance coverage profits in Brazil is 14%, and when we compare third party liability insurance coverage, that percent...
