

Prezados Senhores,

Para conhecimento e para pensar...

Esse assunto não é naturalmente exclusivo do mercado de seguros, muito menos uma novidade. Entretanto, nunca é pouco ressaltar.

O Doing Business é um estudo anual feito pelo Banco Mundial, estando já na sua 15ª edição. Semana passada, a última edição foi divulgada.

Esse estudo publica uma avaliação das facilidades ou dificuldades em realizar negócios em todos os países do mundo, a partir de 11 fatores distintos. Por exemplo, as exigências para a abertura de empresas, a obtenção de alvarás de construção, o registro de propriedades, a obtenção de crédito, a proteção dos investidores minoritários, o pagamento de impostos, etc.

Segundo o levantamento desse ano, dos 190 países analisados, o Brasil estava na 125ª posição, o que só ressalta a necessidade de reformas.
